Dear Valued Customer,

The Trash Man consistently evaluates ways to control our operating costs, but there remain costs over which we have no control. To help us recover those costs, we are raising our EISE [Environmental, Insurance, Security, Energy] Fee to 20% effective March 1, 2026 along with other pricing changes. The EISE fee replaces the fuel surcharge and is necessary to help cover increasing costs to ensure that Trash Man can continue providing compliant, dependable, and sustainable services to every client.

Please call 515-832-5516 or 800-944-1118 with any questions.
